

## HanuKat Fortune Teller

- Cut out fortune teller above.
- Fold square in half to make triangle. Fold again in half to make second triangle. Open paper.
- Place face down. Fold each corner into center to form smaller square. Turn over. Again fold each corner into center.
- Fold in half to make rectangle with HanuKat figure on the outside.
- Place pointer finger and thumb from both hands into each corner. Bring fingers together to form a point.

### THE GAME:

- Ask a friend to pick one of the colors on the outside of the fortune teller. Move the fortune teller by moving the pointer finger and thumb together, then apart, for each letter of the color.
- Ask the friend to pick one of the exposed numbers. Move the fortune teller the selected number of times.
- Ask the friend to select a second exposed number and repeat.
- Ask the friend to select a third exposed number. Open the fortune teller and read their fortune under the selected number.
